HUNTER 33.5

We go the Distance

The decision making process for finding a well built sailboat can take its toll, especially on your pocketbook. The new Hunter 33.5 is engineered to provide strength, performance and comfort, as well as unprecedented value.

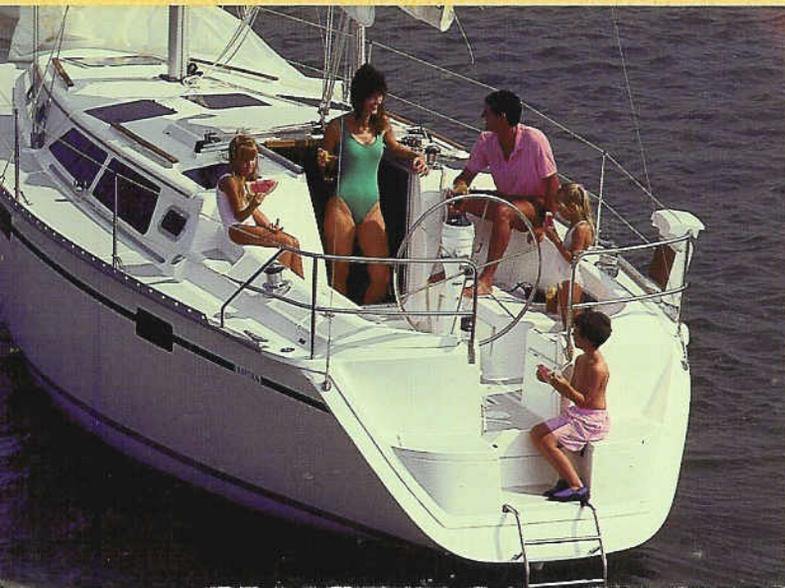

The 33.5 carefully balances sea kindliness and stability with a nimble, spirited character. The easily driven hull is powered by an impressive double spreader fractional rig that is designed to be handled by a family of two. Additionally, our proven bulb-wing keel provides good performance, smooth motion and reduced draft.

The 33.5's bright, spacious cabin is complemented with excellent ventilation,

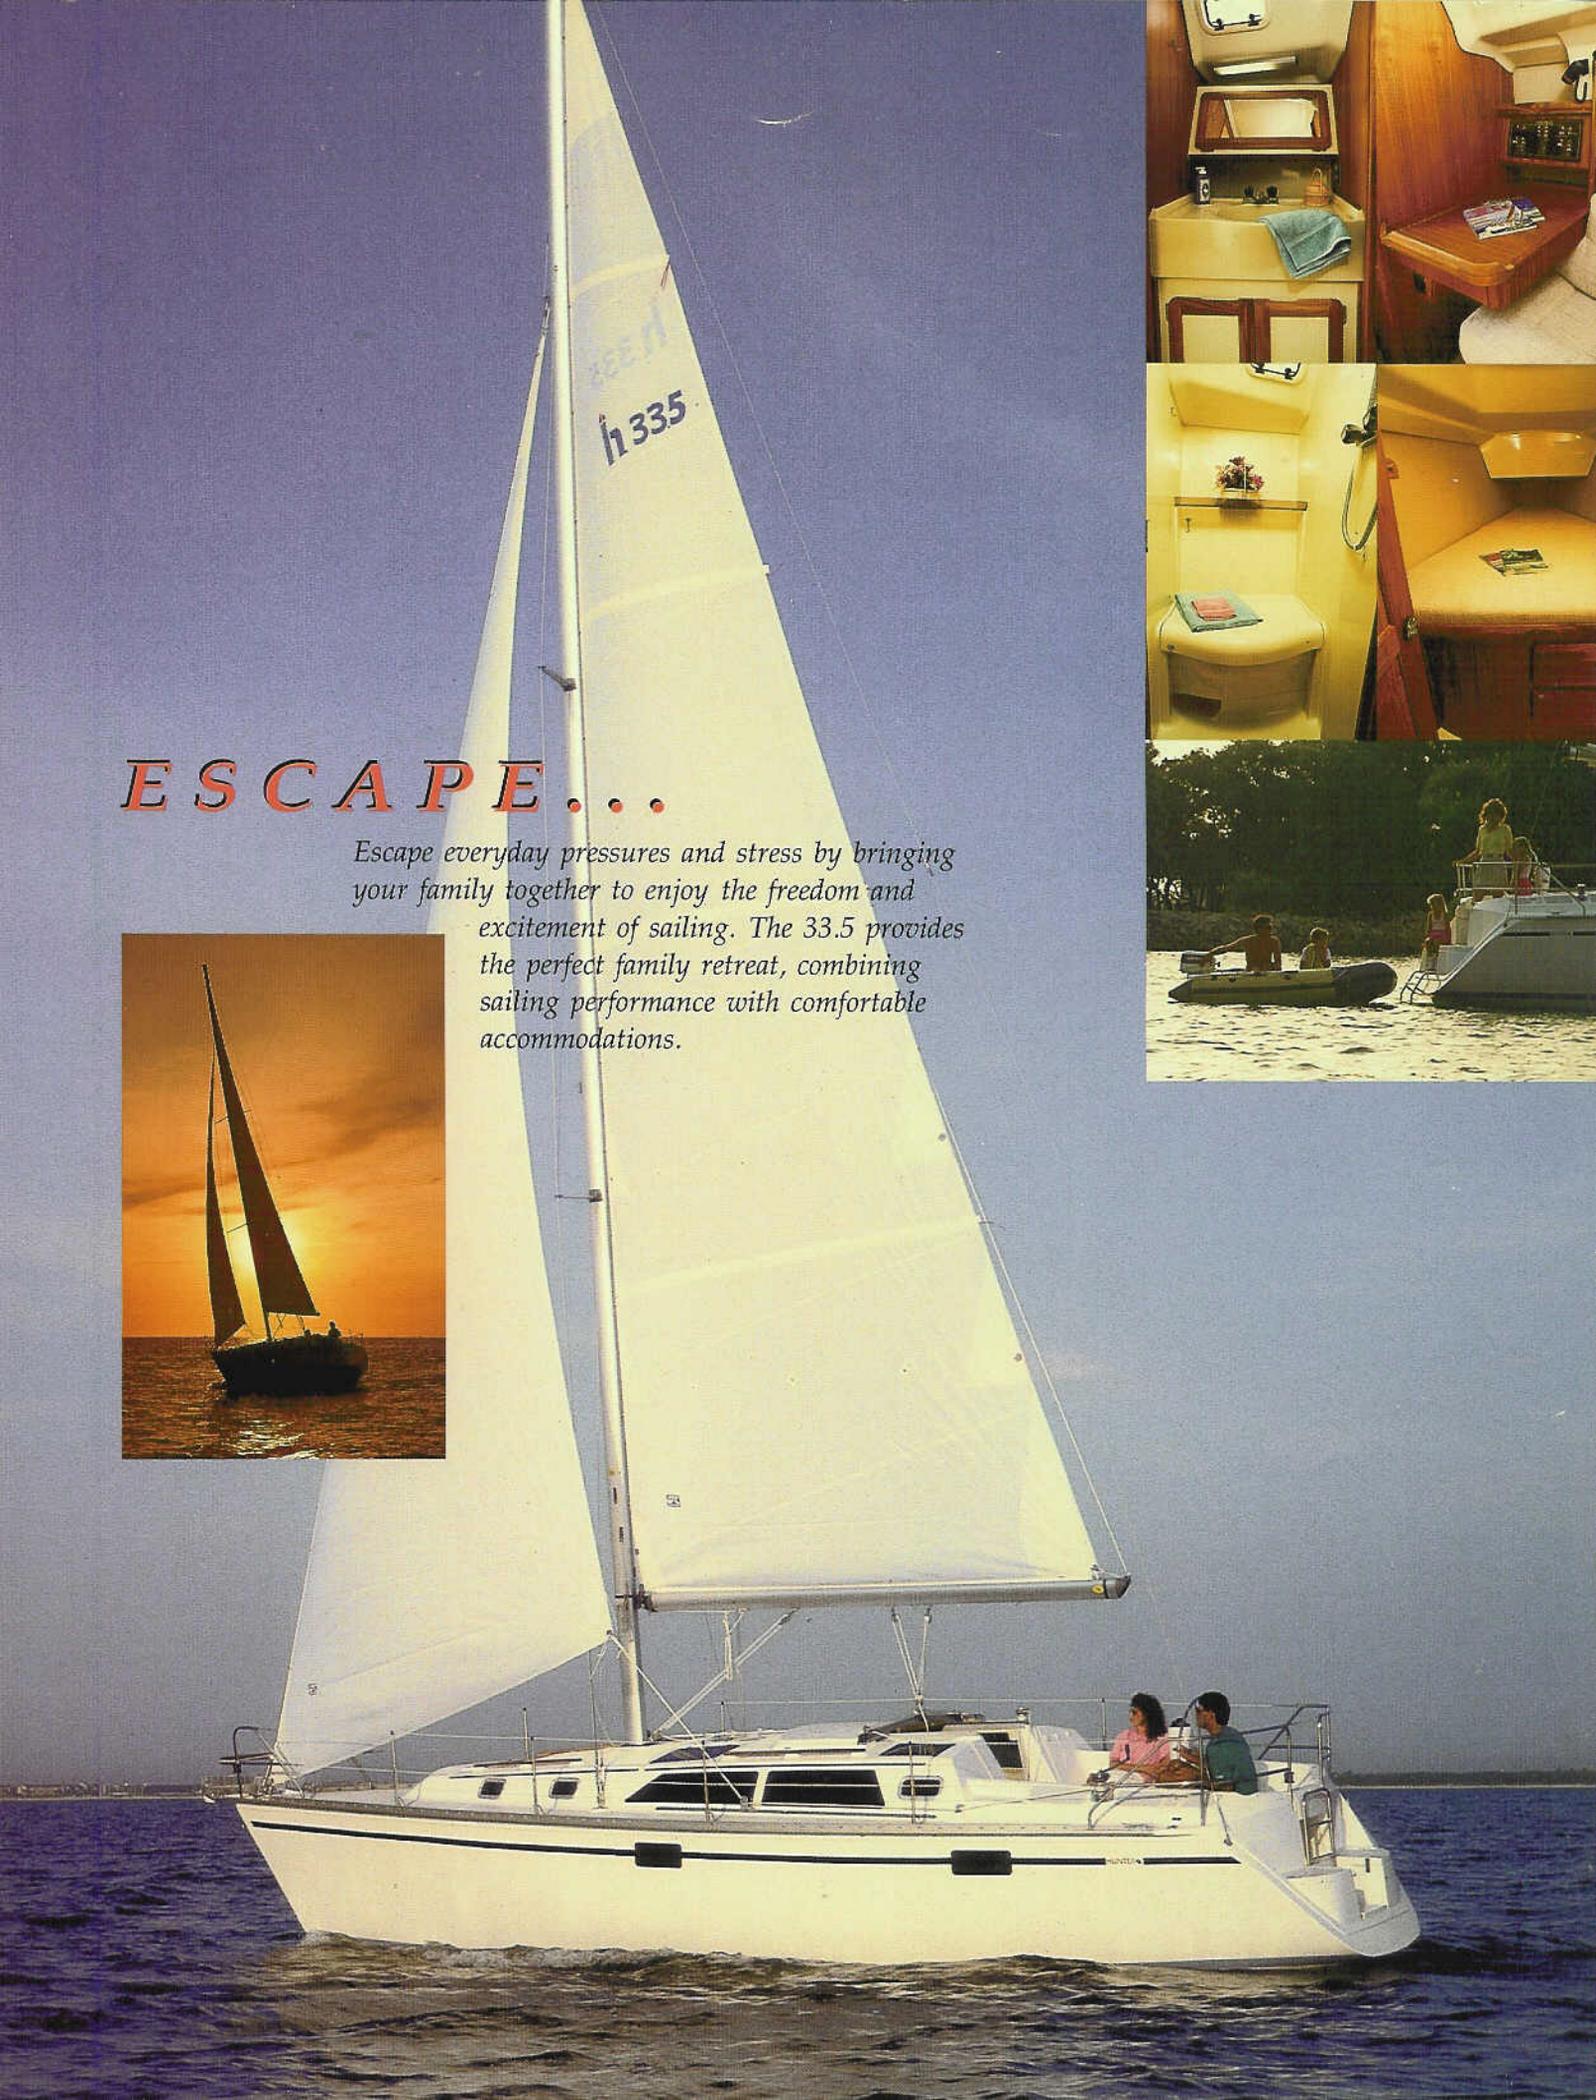

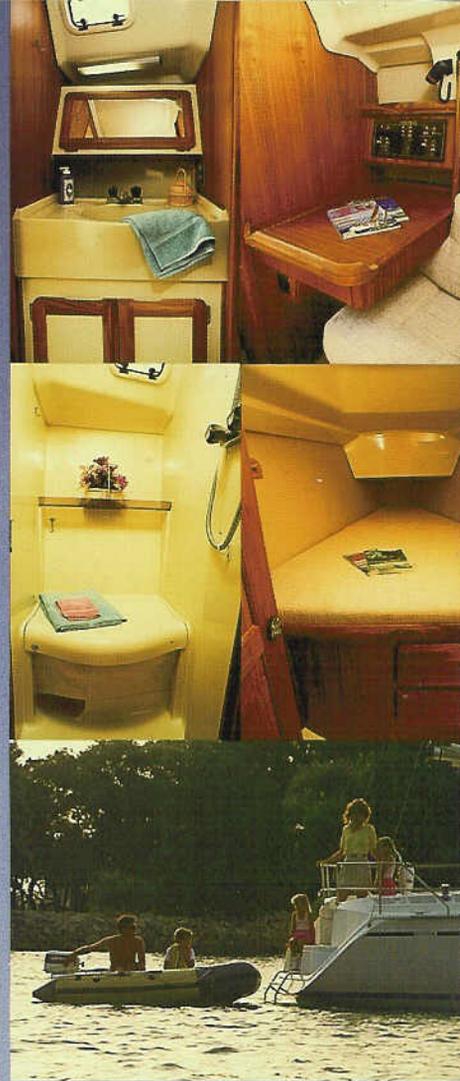

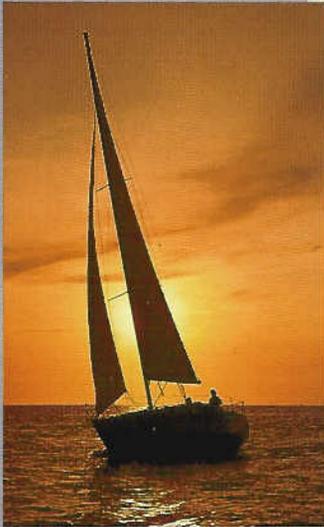

quality fabrics and rich teakwoods. The interior woods are hand rubbed and sealed for a warm, rich finish in a boat you'll be proud to own.

Experience the irresistible appeal of the 33.5 by visiting your nearest Hunter dealer. Owning a 33.5 is indeed a decision you'll be comfortable with.

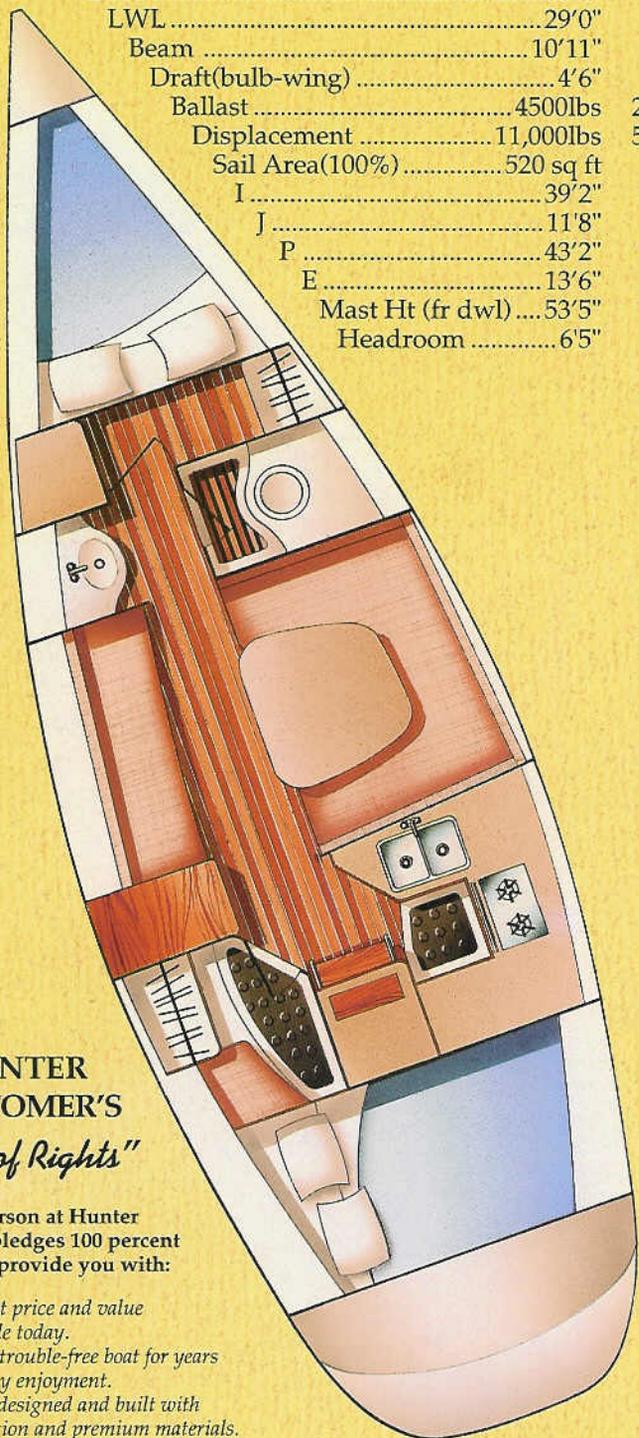

ESCAPE...

Escape everyday pressures and stress by bringing your family together to enjoy the freedom and excitement of sailing. The 33.5 provides the perfect family retreat, combining sailing performance with comfortable accommodations.

CRUISE PAC®

While everyone else was complaining about the high cost of marine hardware and accessories, Hunter was doing something about it. The Hunter Cruise Pac® was developed to make all the accessories and hardware you need standard equipment. We buy top quality gear in very large quantities. The result? Equally large savings. The 33.5 Cruise Pac® isn't just sails, winches, and running rigging - it's things like self-tailing winches, shorepower, hot water, compass, anchors, fire extinguishers, running lights, life jackets - even a copy of *Chapman's Piloting, Seamanship, and Small Boat Handling*. We invite you to compare the Standard Equipment list below with that of any other manufacturer. You'll discover that Hunter is going the distance for you with more - and better gear. For less.

RIGGING:

Full batten mainsail
Jiffy reefing, mainsail
Jib furling system
130% furling genoa with LIV suncover
