H-333

**Hunter Marine Corporation**  
P.O. Box 1030 • Route 441  
Alachua, Florida 32615

The response to the Hunter 333 has been very gratifying. We set out to design an extremely fast boat that afforded the room below of a typical 37-footer. The interior and deck are totally new in sailboat design. Your dealer should be receiving a Hunter 333 for your inspection soon. Don't miss this one!!
