

## GREY WATER TANK PUMP CONTROL COMMANDE DE POMPE 36.16114.00

Temporisation de 3min

*Timing of 3 min*

con 5 12v+ to pump red wire  
con 2 ? double red wire  
con 1 ? black wire  
con 4 12v- to pump black wire  
con 6 to/from float switch black wire  
con 3 to/from float switch red wire

where do con 2 & con 1 go? tech may have reversed con 5 & con 2

grey water tank pump will only operate with shower switch, the automatic feature does not work, I installed a new float switch and controller
