**NEW VERSATILE
ALBERG-DESIGNED
FAMILY
DAY-SAILER**

Add water and wind, and all the joys of care-free sailing are yours in this frisky new centerboard day-sailer designed by Carl A. Alberg. HAWK performs as well as she looks . . . happily blending straight sheer and reverse transom into a truly modern boat reflecting the design latitude and beauty of molded fiberglass.

HAWK offers many desirable features . . . a large, comfortable cockpit; a roomy, dry cuddy cabin; a molded-in, non-skid deck pattern; positive flotation; aluminum spars; roller reefing; and a "kick-up" rudder to facilitate beaching. Many other features are included as Standard Equipment. No extras necessary.

Trailer this sleek little sailer to your favorite water rendezvous, put your family aboard, thrill to the extra hours of pleasure that are yours in a low-upkeep, fun-packed HAWK!
