Dining Table Top –

Light Scratches use fine polish – Liquid Polish 3M

Deeper scratches:

1. TR311 Buffing (slow buffing), then
2. Perfect It 3M, then
3. Liquid Polish 3M
4. Buff Slow
5. Usually they have to strip it and start over ☹

Windows and hatches:

Light Scratches: 3M Perfect Finish, buff real slow, NO HEAT, then clean with soapy water only.

Deeper Scratches: 1000,1200, 1600, 2000 wet sand by hand or use a block of wood. Buy wet sandpaper at paint store or auto store, then 3m Perfect Finish
