

Just think about these witticisms:

-2019: Stay away from negative people. 2020: Stay away from positive people.

- The world has turned upside down. Old folks are sneaking out of the house, and their kids are yelling at them to stay indoors!

-You think it's bad now? In 20 years our country will be run by people home-schooled by day drinkers...

- This virus has done what no woman had been able to do... cancel all sports, shut down all bars, and keep men at home!!!

- Do not call the police on suspicious people in your neighborhood! Those are your neighbors without makeup and hair extensions!

- Since we can't eat out, now's the perfect time to eat better, get fit, and stay healthy. We're quarantined! Who are we trying to impress? We have snacks, we have sweatpants – I say we use them!

- Day 27 at home and the dog is looking at me like, "See? This is why I chew the furniture!"

- Does anyone know if we can take showers yet or should we just keep washing our hands???

- I never thought the comment "I wouldn't touch him/her with a 6 foot pole" would become a national policy, but here we are!

Half of us are going to come out of this quarantine as amazing cooks. The other half will come out with a drinking problem.

I used to spin that toilet paper like I was on Wheel of Fortune. Now I turn it like I'm cracking a safe.

I need to practice social distancing from the refrigerator.

Still haven't decided where to go for Easter --- The Living Room or The Bedroom.

Every few days try your jeans on just to make sure they fit. Pajamas will have you believe all is well in the kingdom.

Homeschooling is going well. 2 students suspended for fighting and 1 teacher fired for drinking on the job.

I don't think anyone expected that when we changed the clocks we'd go from Standard Time to the Twilight Zone.

This morning I saw a neighbor talking to her cat. It was obvious she thought her cat understood her. I came into my house, told my dog.... we laughed a lot.

Quarantine Day 5: Went to this restaurant called THE KITCHEN. You have to gather all the

ingredients and make your own meal. I have no clue how this place is still in business.

My body has absorbed so much soap and disinfectant lately that when I pee it cleans the toilet.

Day 5 of Homeschooling: One of these little monsters called in a bomb threat

I'm so excited --- it's time to take out the garbage. What should I wear?

I hope the weather is good tomorrow for my trip to Puerto Backyarda. I'm getting tired of Los Livingroom.

Classified Ad: Single woman with toilet paper seeks man with hand sanitizer for good clean fun.

Day 6 of Homeschooling: My child just said "I hope I don't have the same teacher next year".... I'm offended.

Better 6 feet apart than 6 feet under.

REMEMBER, NO STORM LASTS FOREVER. HOLD ON, BE BRAVE.

- Me: "Alexa what's the weather this weekend?"

Alexa: "It doesn't matter--you're not going anywhere."

- I swear my fridge just said "what the hell do you want now?"

- When this is over...what meeting do I attend first... Weight Watchers or AA?

- Quarantine has turned us into dogs. We roam the house all day looking for food. We are told "no" if we get too close to strangers. And we get really excited about car rides.
